

LICENSE DASHBOARD ON TOUR

License Dashboard, the world's leading license management tool, is appearing at a number of key events over the coming months

MICROSOFT WORLDWIDE PARTNER CONFERENCE

10-14 July, Los Angeles Convention Centre, USA

The License Dashboard team will be exhibiting at the Microsoft Worldwide Partner Conference (WPC) in Los Angeles, California, USA.

The Microsoft Worldwide Partner Conference (WPC) is an annual gathering for the Microsoft partner community to learn about Microsoft's roadmap for the upcoming year, network and build connections, share best practices, experience the latest product innovations and learn new skills and techniques.

Since 2003, the Microsoft Worldwide Partner Conference has been providing a unique five-day event for thousands of partners from over 130 countries worldwide, to plan their business strategies for the upcoming year.

GARTNER IT FINANCIAL, PROCUREMENT & ASSET MANAGEMENT SUMMIT

License Dashboard will be exhibiting at this must-attend event for ITAM professionals.

Gartner IT Financial, Procurement & Asset Management Summit pulls together and creates a setting for the community to connect and share ideas, experiences and best practices on the latest ITAM topics.

Focused on practical advice and results, delegates will learn about hot topics such as effective cost-savings strategies, evaluating ITAM

strategies, asset lifecycle management, vendor management, cloud computing and more.

SYMANTEC VISION 2011

4 - 6 October, Barcelona, Spain

License Dashboard is a Gold Sponsor at this year's Symantec Vision event. As well as exhibiting at this the world's largest gathering of Symantec experts, License Dashboard will also be providing a break-out lab session enabling hands-on access to the technology.

IAITAM 2011 ACE CONFERENCE

12 - 14 October 2011, Las Vegas

License Dashboard will be exhibiting at this 3-day conference where CIOs COOs, CTOs, IT Asset Managers, IT Professionals, Finance Managers, Procurement Professionals, Compliance and Licensing Professionals and Legal Professionals come together to explore the latest in IT Asset Management and its effects on business operations and profitability.

FAST LTD CONFERENCE 2011

21 November, Twickenham Rugby Stadium, London

Join License Dashboard at the FAST Ltd Conference 2011, taking place at Twickenham Stadium in November.

Specifically targeted towards Directors and CEOs as well as IT professionals, key topics will include the need for more cooperation between business

and the IT department, and this concept of collaboration and teamwork sits perfectly within the competitive world of sport.

The conference will also highlight the relevance of the growing dependence on IT and its central role within organisations, with security and costs being high level issues. Software Asset Management (SAM) and IT Compliance will also figure highly in the discussions.

The conference will begin with a keynote presentation from a well-known industry expert and throughout the day registered attendees will be able to attend two separate streams - either on 'Finance and Business' or 'Technology and Soft Skills' - both hosted by experienced industry speakers and analysts.
